

2026 California Disability Community Advocacy Conference May 18 -19, 2026

Sponsorship Opportunities

In 2026, California's disability community faces one of the most pivotal policy years in more than a decade. Proposed federal budget reductions could threaten essential services, community inclusion, and the supports that 500,000 Californians rely on to live safely and independently. At the same time, our community is mobilizing with renewed purpose and unity – and DisCo at the Capitol is where that momentum becomes action.

We invite you to sponsor the **17th Annual DisCo at the Capitol: California Disability Community Advocacy Conference** and help fuel the statewide movement for disability rights, equity, & access.

Why Your Sponsorship Matters

- **Protect vital services at a critical moment.** Budget decisions this year will impact regional centers, direct support services, education, employment, housing, and more. Your support ensures advocates statewide can participate in efforts that shape these outcomes.
- **Strengthen a unified disability movement.** DisCo at the Capitol brings together people with disabilities, families, service providers, and policymakers. Sponsorship keeps the event low- or no-cost for those most affected by service disruptions.
- **Gain high-visibility exposure.** Sponsors connect with statewide organizations, legislators, agency leaders, advocates, and media – aligning your brand with a major statewide advocacy event.
- **Invest in systems change.** DisCo at the Capitol elevates lived experience and brings advocates directly to lawmakers. This is where meaningful policy change begins.

What Your Sponsorship Supports

- Accessibility services (ASL, captioning, ADA accommodations)
- Scholarships for advocates with disabilities
- Capitol rally and advocacy activities
- Speaker programming
- Evening reception and Silent DisCo

Your investment helps people with disabilities participate in shaping the policies that impact their lives!

WHO WE ARE

The DisCo at the Capitol is brought to you by four of the most prominent nonprofit organizations in California dedicated to protecting the rights of people with disabilities and advancing inclusion in all aspects of our communities.

- The Arc of California promotes and protects the human rights of people with disabilities and actively supports their full inclusion and participation in the community throughout their lifetimes.
- The Association of Regional Center Agencies advocates on Behalf of more than 550,000 Californians with Developmental Disabilities and the 21 Community-Based Regional Center System.
- For more than 100 years, Easterseals has been leading the way to full equity, inclusion and access through life-changing disability and community services.
- California affiliates of United Cerebral Palsy is a nationwide network of organizations providing support and services to children and adults with disabilities to live a "Life Without Limits".
